HP RP9 G1 Retail System, Model 9015

Deliver a stylish and engaging experience to your customers with the modern, versatile HP RP9 Retail System, an All-in-One (AiO) that combines powerhouse performance with reliable engineering.

Make a big impression in a small footprint

Create a welcoming point of contact for your customers with a contemporary design that has edge-to-edge, 15.6"diagonal, 10-point multi-touch glass and optional integrated peripherals.

Powerhouse performer

Deploy the system—available with 6th generation Intel® processors, M.2 storage, a bay for a 2.5" SSD or HDD, efficient DDR4 memory, and wired or wireless¹ network connectivity—anywhere you need a reliable, high-performance All-in-One.

Versatility for every demand

Customize each system for your specific usability requirements—in a kiosk, on a counter or a pole—with mounting and hardware options.² Choose your processor, operating system, peripherals¹, and more.

Designed and tested to work as hard as you do

Make a confident IT choice with a reliability-tested system that has built-in security and manageability, a stable 5-year lifecycle for consistent, staggered installations, and is backed by a 3-year limited warranty and optional HP Care Pack.³

Additional Features

- Easily show and share details on a touchscreen that's stylish, durable, and functional, and has Pre-Boot Touch for easy access to BIOS functions.
- Pick the familiar operating system that's best suited to your environment.
- Complete your All-in-One with a range of hardware options¹, including the stand, associate display, and customer-facing displays, and integrated HP peripherals such as a barcode scanner, MSR, webcam, fingerprint reader, and more.
- Add devices and displays when you're ready with a range of connections, and select wired or wireless networking.
- Secure your system with HP SureStart, TPM, Intel® AMT4, and optional¹ HP and LANDesk client management software. Deter tampering with a hood sensor and lock slots.
- Reduce power consumption and help lower your total cost of ownership with an energy-efficient design.

Available Software	The HP RP9 G1 Retail System ships with a variety of software titles including: HP Client Security Manager, Discover HP Touchpoint Manager, Microsoft Security Essentials, HP Support Assistant, HP ePrint Driver, HP Recovery Manager. Please refer to this product's Quick Spec document for a full list of preinstalled software. 10,11
Security Management	Intel® Data Protection Technology for Transactions; HP RP9 Biometric Fingerprint reader (optional); HP BIOSphere with Sure Start; HP Touchpoint Manager; Security lock slot; TPM 1.2 (Trusted Platform Module); Hood sensor; Kensington Lock (optional); Serial, USB enable/disable (via BIOS); Power-on password (via BIOS); Setup password (via BIOS); Automatic drive lock; Secure erase (via BIOS)
Management Features	Intel® vPro™ Technology capable (select models)
Power	230 W, up to 89% efficient, active PFC
Dimensions (W x D x H)	15.6 x 8.8 x 11.5 in 395.6 x 222.3 x 395.6 mm (With compact stand)
Weight	9.7 lbs 4.4 kg (Starting weight without stand. Exact weight depends on configuration.)
Environmental	Low halogen ¹⁵
Energy Efficiency Compliance	ENERGY STAR® certified and EPEAT® Gold ¹⁴

HP RP9 G1 Retail System, Model 9015

Accessories and services (not included)

HP RP9 Integrated Bar Code Scanner-Side

Speed checkouts and quickly and accurately read 1D and 2D barcodes, including driver's licenses and codes from mobile device screens, with the HP RP9 Integrated Barcode Scanner¹, designed for the HP RP9 Retail System.

Product number: N3R61AA

HP RP9 Integrated Single-Head MSR

Accept credit cards (select regions), gift cards, employee ID cards or loyalty cards¹ with the HP RP9 Integrated Single-Head MSR, designed for the HP RP9 Retail System.

Product number: N3R63AA

HP RP9 Integrated Finger Print Reader

Enable secure employee log in protocols for opening the cash drawer or authorizing special transactions with the HP RP9 Integrated Finger Print Reader, designed for the HP RP9 Retail System.

Product number: N3R64AA

HP RP9 Integrated Webcam

Enable face-to-face interaction with online/remote representatives, or remote tech support for your operators, with the HP RP9 Integrated Webcam¹, designed for the HP RP9 Retail System.

Product number: POQ86AA

HP RP9 Integrated 2x20 Display Top w/Arm

Deliver easily readable price, product, and order information to your customers with the HP RP9 Integrated 2x20 Display, designed for the HP RP9 Retail System.

Product number: P5A55AA

HP RP9 Integrated 7" Non-Touch Customer-Facing Display w/Arm

Display transactions and share dynamic videos, content, and colorful graphics at the point of sale with the HP RP9 Integrated 7" Non-Touch Customer-Facing Display, designed for the HP RP9 Retail System.

Product number: P5A56AA

Messaging Footnotes

- ¹ Optional features sold separately or as add-on features
- ² Mounting hardware sold separately; pole sold separately by third-party vendors.
- ³ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.hp.com/go/cpc for details. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ⁴ Some functionality of vPro, such as Intel[®] Active Management Technology and Intel Virtualization Technology, requires additional third party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on third party software providers. Microsoft Windows required.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com
- ² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to unjustall one version and install the other version. You must back up all data (files, photos, etc.) before unjustalling and installing operating systems to avoid loss of your data.
- versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

 ³ This system is preinstalled with Windows 8.1 Pro software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- 5 Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- ⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and up to 36 GB (for Windows 8.1 and 10) of system disk is reserved for system recovery software.
- Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of this desktop PC to communicate with other 802.11ac WLAN devices.
- ⁸ HD content required to view HD images.
- ⁹ Audio line-out is not amplified
- ¹⁰ HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmpobileprinting).
- 11 Microsoft Security Essentials requires Windows 7 and internet access
- 12 HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.
- 13 This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the end of 2015 via HP Customer Support.
- 14 EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
- 15 External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
- ¹⁶ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. See http://www.microsoft.com.
