

HIGHLIGHTS

Humanscale®

QuickStand•Eco

Humanscale's QuickStand Eco combines sleek, user-friendly design with expert engineering. This height-adjustable work surface arrives ready to use — simply remove from the box, place onto your work surface and go. QuickStand Eco makes it easier than ever to integrate movement and wellness into your work day.

- Main assembly holds up to three monitors (up to 35 lbs. of weight) and can be converted to each configuration with minimal tools and components
- Designed to accommodate users of varying heights with 18.5" of work surface adjustment
- Monitor height setting can be varied 5.5" in range independent of work surface
- Designed using fewer materials to produce a more economical solution with a smaller footprint
- Compatible with Humanscale's innovative sit/stand alert software, OfficeIQ, and our best-selling line of M2, M8 and M/Flex monitor arms
