

Highlights

- Position LCD screens for maximum ergonomic comfort with unparalleled range of motion—promotes wellness in any work area
- Free up your desktop to increase your workspace
- 13" (33 cm) height range meets the ergonomic needs of more than nine out of ten adults
- Extends LCDs or laptop up to 25" (64 cm) with an adjustment range of 18" (45,7 cm); push your displays out of the way when not in use
- Experience productivity gains. Check out our Multi-Display Payback Calculator determine the cost benefit associated with adding a second display
- Open and view multiple applications and documents, eliminating the need to toggle between applications
- Cable management feature routes cables under the arm, out of the way

Ergotron®

LX Dual Side-by-Side Arm

Fully adjustable dual-display configuration for greater comfort and productivity

Durable polished aluminum metal construction!

Ergotron's LX Dual Side-by-Side Arm easily accommodates displays sizes of 24" or smaller, perfectly aligning them on a sleek, streamlined base. Create a fully adjustable side-by-side configuration, lifting both LCD screens up to where they're easier to see, freeing valuable workspace.

Up. Down. Forward. Back. The LX Dual Arm provides unparalleled range of motion with features like height adjustment, extension/retraction motion and tilt of LCDs as workflow requires, and an integrated landscape to portrait mode for one or both LCDs. Support desktop productivity with this premium adjustable solution for any desktop.

 Easily turn one or both screens from landscape mode to portrait mode—view entire pages without scrolling

 Embedded with patented motion technology, these arms enable light-touch adjustments without any knobs or levers

• Easy to use—simple installation and effortless operation

 Mounting standards: VESA FDMI MIS-D, 100/75, C (hole pattern: 100 x 100 mm & 75 x 75 mm). If mounting a laptop, also order the LX Notebook Tray (50-193-200)

Monitor weight: 7–20 lbs (3,2–9,1kg)
 Maximum combined weight: 40 lbs (18,1 kg)

LX Dual Side-by-Side Arm
45-245-026 (polished aluminum)
Two (2) LCD arms and extensions, pole, desk clamp and grommet mount
19.25" x 17.75" x 6.25" (487 x 452 x 160 mm)
17.25 lbs (7.85 kg)
5 years
Maximum combined weight 40 lbs (18 kg)
VESA MIS-D compatible displays up to 20 lbs (9.1 kg)

AFFORDABLE PRODUCTIVITY GAINS

33% fewer errors reported
when using multi-screen configurations;
24% of workers feel more comfortable
when using multiple monitors.
