

HP Value Thermal Receipt Printer

Complete your retail solution with the HP Value Thermal Receipt Printer, a single-station thermal receipt printer built for solid and reliable retail performance.

Efficient printing

Print quickly with up to a 250 mm per second print speed and 8 MB of integrated Flash memory.

Simple system connectivity

Use the USB type A connection with your current and evolving platforms, or keep your reliable legacy systems in play with a DB9 serial connection.

Retail-ready design

Place the compact printer where you need it with the assurance that the internal steel frame will withstand the everyday wear and tear of retail environments. Set up for top or front-facing printing, whichever best suits your solution.

Supported by HP

Rest easy that your IT investment is supported by a one-year standard limited warranty.
