OKI

Performance beyond the ordinary for every office

The **C610 stands out from the rest delivering fast, versatile and affordable in-house A4 colour and mono printing for the general office. With class-leading media handling, that allows you to get more from your investment, and environmental benefits, that can reduce your organisations print related carbon footprint, this powerful printer is the ultimate solution for every small to medium business. It effortlessly supports workgroups of up to 10 users**

Tackle the toughest deadlines

The C610 is built for speed making light work of the toughest deadlines.

- Outstanding print speeds of 34ppm in colour and 36ppm in black and white
- Delivering your first print in as little as 9 seconds colour and 8 seconds mono
- Ultra-reliable digital LED technology with fewer moving parts and a flat paper path

Print on the paper you want

Exceptional media flexibility means that business stationery, banners and marketing collateral are just as easy to print in-house as ordinary office documents.

- Prints on stock of up to 250gsm - heavier than any comparable printer
- Handles any size from A6 to A4 through to a 1.2 metre A4 banners
- With 2 optional paper trays available, paper capacity can be increased up to 1,460 sheets

Environmental efficiencies

The C610's significantly low power consumption reduces energy bills and your environment impact.

- Low energy consumption, consuming just 1.2 watts in sleep mode
- Duplex printing (optional on C610n) reduces unnecessary paper usage and therefore costs
- Energy Star qualified products

Reduce and control your print costs

Taking care to keep costs to a minimum the C610 has an attractive price tag, high-yield toners and a long life image drum. What's more, included in-the-box, are three cost and time saving utilities. No other colour printer offers so much for so little.

- Print Control software lets you track printer usage and control costs
- PrintSuperVision software lets you monitor, manage and report on your networked printers
- Colour Access Policy Manager lets you monitor and control colour usage for printed output
