

The compact A3 colour printer delivering huge business benefits

The C810's outstanding value for money combined with a remarkably small footprint makes this the ideal printer for businesses who need greater flexibility.

The C810 from OKI Printing Solutions. Small footprint. Giant step forward in business A3 printing.

A major win in cost vs performance.

Now there's nothing to stop businesses enjoying A3 colour printing. This high quality, highly affordable printer gives low cost colour printing whilst maintaining low mono cost per copy. And as the C810 is network-ready, the printer's low cost printing can be shared by users for extra cost savings.

A3 printer at half the size.

This A3 colour printer packs outstanding performance, yet is up to half the size of other A3 printers. Being so compact and quiet it can sit close to the desktop for extra convenience, while saving floor space.

Print a range of document sizes and formats with ease.

So flexible that it can print from A6 to A3 on a range of media, from postcards to banners. Duplex capability allows double-sided printing including booklets, whilst Template Manager 3.0 enables the creation of a range of professional-looking documents in-house.

Fast printing to enhance efficiency.

Fast time to first page of just 9.5 seconds mono and high print speeds of 30ppm for A4 colour and 32ppm for A4 mono will help maintain business momentum. It is what every organization needs to remain time-efficient and competitive.

A colour revolution.

Every colour document benefits from ProQ2400 Multi-level technology and our unique microfine High Definition Toner. Photo Enhance, selectable within the driver, allows you to print impressively sharp, photo-like pictures on ordinary office paper.

A printer that enables creativity.

With its simple controls and smooth paper flow, the C810 requires minimal user attention. Instead, users can concentrate on producing great-looking documents with the help of Template Manager 3.0 software.

Maximize time and productivity.

With single pass digital LED technology, paper handling is smooth across all media. The straight paper path minimizes the need for user attention and maintains the workflow.

Variants available:

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
